MEMORANDUM FOR THE RECORD

**SUBJECT : Concurrence in Amendment No. 1 to Contract No. TR-718
with the David Clark Company, Inc. Project CHALICE**

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is set forth in Paragraph 5.

2. Contract No. TR-718 provides for the services of a qualified technician of the David Clark Co. to make field evaluations and inspections of pilots personal equipment at Project sites on a semi-annual basis. Amendment No. 1 to the contract incorporates fixed hourly rates into the contract in lieu of the provisional hourly rates presently in the contract. The fixed rates have been approved by the AF audit representatives for the period 1 January 1959 to 30 June 1959. The amendment also provides that the contractor may furnish the services of a "Paper Maker and Technician" in addition to the services of Mr. Joseph Ruseckas, Engineer, in the performance of the contract work. The use of this additional labor category has been concurred in by the Chief, Supply Depot and Captain Trembley.

3. Contract No. TR-718 obligated \$3,000 chargeable to Fiscal Year 1959 CHALICE funds. This Amendment No. 1 obligates an additional \$5,000 chargeable to Fiscal Year 1959 CHALICE funds. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8 (b) of Public Law 110, 81st Congress, for each contract.

5. Approval of Amendment No. 1 to Contract No. TR-718 and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
